Committee Reports

Curling - Curling leagues are going well and most teams have paid their fees. Ladies Bonspiel is coming up this month - currently there are 15 teams confirmed.

The family bonspiel was held over the holidays and was a great success. Saffies already has 5 teams signed up for next weekend.

Advertising - 4 X 8 foot signs are being sold and are going over very well. There are 20 up so far.

The notice board that John Merton built for us has been put up by the canteen door.

Building update - Dennis is working on the hot water problem (with Drew's help) There are issues with regulating hot water temperature.

The concrete stairs have been done, both sets. The flooring has been installed upstairs (almost complete). Clifton Trainor, Oscar Dyson with the help of many volunteers from the fire department completed the concrete stairs (all by hand) The concrete was donated.

Waterless urinals are very high maintenance and we need to find a way to clean them better to eliminate the smell.

More shelving and organization has been done in the office now that the flooring is done.

The railing for the upstairs windows is done and painted - just has to be put up.

Dan from Country Cabinets is pricing out cabinets for the canteen (\$2650 for two cabinets in the canteen) as well as for the upstairs bar (no quote available yet) The design for the upstairs is not finalized yet although Bruce has a preliminary plan done.

Elevator is supposed to be completed next week.

Skating Rink/Hill - The RM has purchased a new snow-blower that is better for the skating rink. Public works is still helping with clearing and flooding the ice.

Grand Opening - Lynn asks if we are going to plan a grand opening event. Discussion of what could be planned such as catering (bbq style) live band (local) Date chosen is Saturday September 3, 2016 (Sept long weeken)
