Minutes from the last meeting -

Randy makes a motion to adopt the minutes of the last meeting held on June 14, 2016 Seconded by Pauline - Carried

Treasurers report

There is no treasurers report available this month

Committee Reports

Country Market - This weekly event is going very well. There were over 400 shoppers who turned out last weekend. The signage for the market is getting good feedback.

Canteen - The Friday and Saturday morning breakfast is still going very well. A few more volunteers have been showing up but we can always use more.

Rentals - There are a lot of rentals lined up for the summer. People coming to the Market also have the chance to see what the facility has to offer.

St Michael's church had their Heritage Day tea here due to rain

Building - The ice maker is working very well and we've bagged lots of ice for the Music Festival

The elevator tech will be coming in to get the elevator in service. We hope to do this soon.

Some concerns were raised about the maintenance of the yard including weeds in front of the post office.

Summer Winds Music Festival - Ticket sales are going very well. The clean up is taking place this week to get ready for the festival this weekend. All of the local businesses are having very good sales for advance sale tickets.

Pickle Ball - This is having a good turn out and more memberships have been purchased as a result of the pickle ball.

Advertising - Margaret has been talking to someone at Red River North. They have a newsletter that they are always looking for information on events in the area. We should start sending info to them for more advertising.

Wimpy's Corner has a nice highway sign with all of the letters for sale. Discussion of whether we should purchase it.

Golf tournament - the steak will be purchased from Cisco

Grand Opening - Saturday September 3rd. Patti has made and printed tickets for this event and she made signs which Ona will print and put up. We can start selling tickets right away. Ona has the tickets and will distribute them. Danny's Whole Hog has been booked with baron of beef and chicken, salads, baked potatoes, plates, and all are included.

ATM Machine - cost is \$300 to set up, \$30 per month and .05 cents per transaction. Discussion of how this would work and whether it would be a benefit to the club. General comments seem to be positive that this would be a good idea.

Pauline makes a motion to install a point of sale debit machine in the canteen of the club. Fay seconds. All in favour - carried.

Bingo - the machine that we got to work our bingo board is not working so we are having to borrow the one from the Senior's every week. The bingo is making a bit of money and the canteen sales are good as well.

Next General meeting – August 9, 2016

Motion to adjourn made by Bruce, Seconded by Lynn - Carried

Meeting adjourned at 8:30 pm
