#### **Committee Reports**

**Country Market** - The Country Market has wrapped up for the season. It brought in a total of \$2200.00

**Canteen** - The breakfast break is still going - Pauline is on a break so Hub is the new Friday morning cook and everything is going well. There are still enough volunteers keeping it going.

**Pickle Ball** - Is still playing on regularly.

**Golf tournament** - there are 13 confirmed teams registered for the tournament. Having a silent auction, 50/50 draws, and other competitions.

**Grand Opening** - Randy called Graham Cameron to see if he's available to MC this event. He will get back to us. Meal is Baron of beef with chicken catered by Danny's Whole Hog

**Bingo** - Has now wrapped up for the year. The pots did not go on the final night. The canteen did well.

**Advertising** - Raymond Parisian is going to change to yard sign whenever it needs to be updated. Patti had suggested that we should look at creating a logo. Mike suggests that we make it a contest where people could submit entries.

**Building** - There is a problem with the hot water the way the tap system is set up in the kitchen. A check valve will be installed to correct the problem.

### **New Business**

Chris suggests that maybe it's time for us to get our own T-shirts made for the volunteers at the club that show all of the groups that work together such as the VBFD, Merry Makers, Music Festival, etc. These shirts could be used for all events.

Before we go ahead with the shirts, we need to finalize a logo. Discussion for how to get logo submissions:

- We will put out a request to ask people to submit a logo.
- Deadline: December 31, 2016
- We'll get the word out via posters, facebook and email.
- Offer mailing address and email address or drop off at canteen on weekends.
- All submission will become the property of the VBCC

Halloween Dance - Keri Halgren sent an email asking us to discuss the feasibility of having the Halloween dance since there is a social in Grand Beach that same weekend. Group discussing - the decision is to have the social but to start earlier to aim more at the families.
